Introduction

Senyar Arabian Trading Co.

Empowering Your Workforce

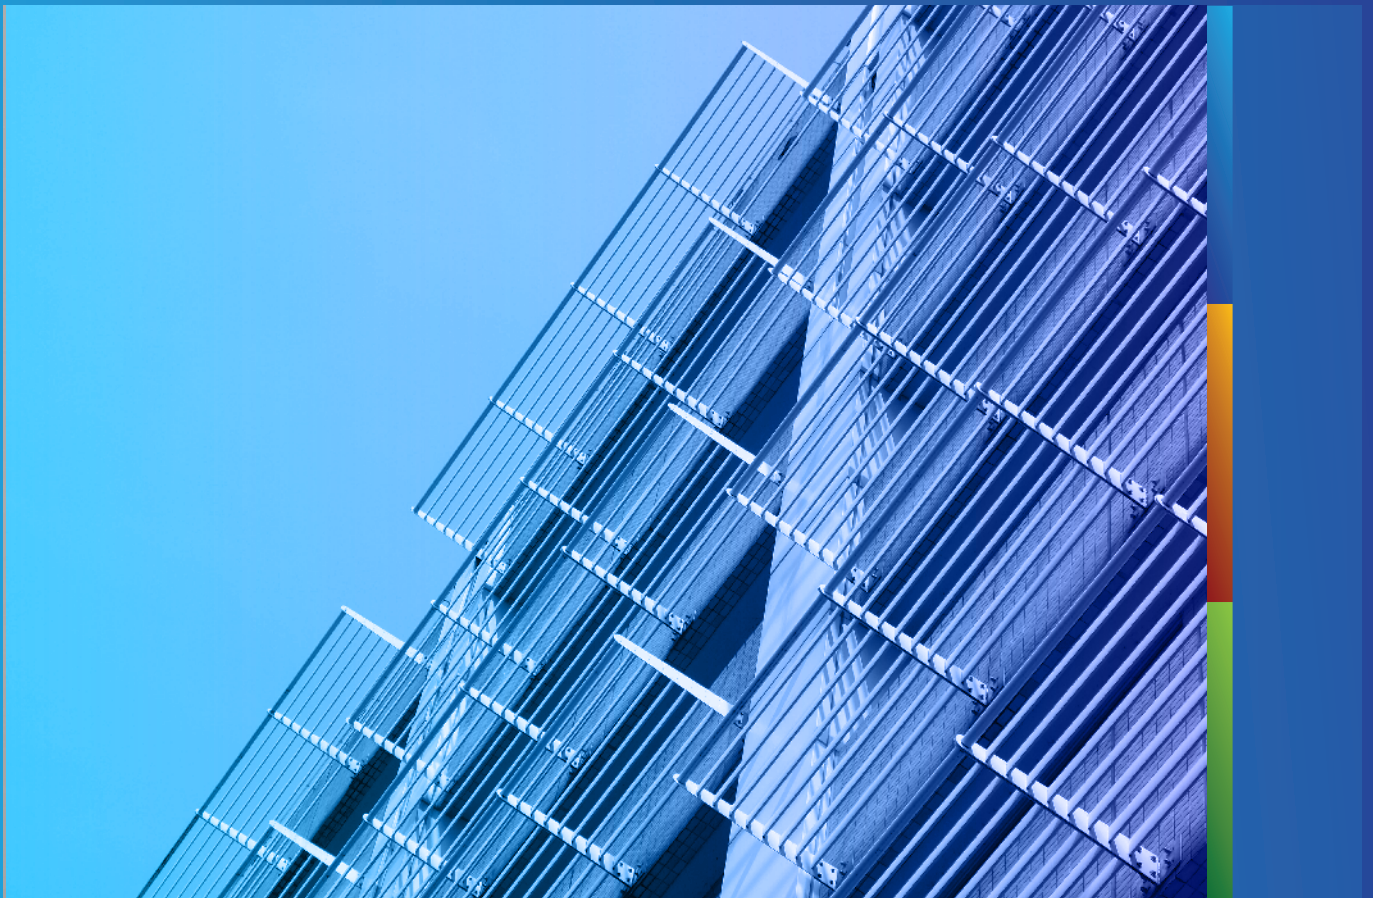

At Senyar Arabian Trading Co., we are more than just a manpower supplier; we are dedicated partners in empowering your workforce. We understand that every business requires specialized skills, and we're committed to delivering the right talent to help your business reach new heights.

Our Vision

To be the leading provider of tailored manpower solutions, driving success for our clients through exceptional service, innovative approaches, and a commitment to excellence.

Our Mission

To provide exceptional manpower services to our clients through highly skilled and qualified professionals, while fostering strong, lasting relationships and meeting their unique needs.

Our Values

To be the leading provider of tailored manpower solutions, driving success for our clients through exceptional service, innovative approaches, and a commitment to excellence.

Excellence & Integrity

We uphold the highest standards of excellence in everything we do, driven by absolute integrity and respect for every individual in our team and client network.

Respect & Safety

We prioritize respecting human rights and providing a safe, inclusive work environment where our team can thrive and feel valued.

Transparency & Fairness

We believe in transparent, fair dealings with all our clients, ensuring honesty and integrity in every interaction.

Social Responsibility

As a core value, we embrace social responsibility and are committed to contributing positively to the communities in which we operate.

Continuous Development

We emphasize ongoing development, adapting with flexibility in our work plans and approaches to meet client needs.

Strategic Partnerships

We focus on building strong, strategic partnerships that foster long-term success and mutual growth for our clients and business.

Our Process

How We Work to Deliver Excellence?

We take pride in our structured approach, ensuring that each client receives top-quality service tailored to their needs. Here's how our process works:

01. Consultation

We begin with a detailed consultation to understand your business goals and workforce needs.

02. Resource Analysis

We assess the available manpower to match the best candidates to your requirements.

03. Training & Development

Our team provides extensive training to ensure workers are fully prepared.

04. Ongoing Support

We maintain regular communication throughout the project to ensure everything runs smoothly.

C.E.O Message

It is my privilege to introduce Senyar Arabian Trading Co. and reflect on our journey over the past 11 years, which has shaped Senyar into the company it is today and what it strives to become in the future. Our commitment is to be a leader in the manpower solutions industry, providing high-quality services that consistently deliver maximum satisfaction to our clients.

We are proud of our skilled and motivated team of recruitment consultants who are dedicated to helping businesses achieve their organizational objectives through well-structured, innovative solutions. Our strength lies in our well-designed processes and standards that ensure efficiency and the best quality results for our clients.

Senyar is not just a company; we are a partner in growth. We continue to play an active role in contributing to the Kingdom's Vision 2030, a transformative plan for sustained economic growth, diversification, and localization. As we look ahead, we remain committed to seeking out opportunities that will add value to our shareholders, customers, partners, and employees, while staying true to our core values of integrity, excellence, and social responsibility.

Our vision is to maintain our tradition of serving clients with exceptional services, strategic partnerships, and innovative manpower solutions. I look forward to continuing our journey together, delivering success and building a brighter future for all.

Sincerely,

Saad Anwar

(C.E.O, Senyar Arabian Trading Co.)

Director's Message

With extensive experience in the contracting, construction, and project management sectors, I am committed to bringing structure, quality, and reliability to every project entrusted to Senyar Arabian Trading. As the Director of Contracting & Projects, I believe that professionalism begins with clarity of vision and ends with delivering results that meet the highest standards of excellence.

My role revolves around overseeing the complete project cycle—from initial evaluation and planning to execution, supervision, and final handover. Throughout this process, my focus remains on ensuring that every project reflects our corporate values: integrity, transparency, and commitment to client satisfaction. I believe that every successful project is built on disciplined planning, strong teamwork, and a deep respect for time, cost, and quality parameters.

Over the years, I have gained experience working across diverse project environments, allowing me to understand the practical challenges faced on-site and the strategic decisions required at the management level. I continuously aim to strengthen our internal processes, enhance coordination across departments, and build teams capable of performing with confidence and consistency. My approach is grounded in maintaining strong communication, adopting industry-best practices, and ensuring strict adherence to safety and regulatory standards.

At Senyar, the contracting division plays a vital role in supporting the company's growth and reputation in the market. It is my responsibility to ensure that our projects not only meet client expectations but also contribute positively to the community and reflect the company's long-term vision. I am dedicated to building a department that is efficient, proactive, and aligned with modern construction methodologies.

I firmly believe that the success of any contracting company lies in its people—their discipline, skills, attitude, and commitment to quality. My goal is to cultivate a culture where every member of the team understands the importance of their role and takes pride in delivering work that stands out for its reliability and precision.

As we continue to evolve and expand our capabilities, I remain committed to driving operational excellence, supporting strategic growth, and reinforcing Senyar's position as a trusted name in the contracting industry. I look forward to contributing to projects that bring value, create opportunities, and strengthen the foundation of our company's future.

Sincerely,

Mohd Hamed Elshokrfy

(Director, Contracting and Projects Division)

Why Choose Senyar Arabian Trading Co.

At Senyar Arabian Trading Co., we don't just supply manpower – we build partnerships. Our commitment to transparency, honesty, and integrity forms the foundation of our client relationships. Here's why you should choose us as your workforce partner:

Tailored Solutions

We customize our services to meet your specific needs.

Skilled Professionals

We provide trained, experienced, and motivated professionals.

Transparency

We maintain open communication with clients throughout the process.

Competitive Pricing

We offer top-quality services without compromising on cost.

What We Do?

Comprehensive Workforce Solutions

At Senyar Arabian Trading Co., we provide manpower solutions across a variety of sectors. Whether you need short-term project staffing or long-term workforce solutions, we have the expertise to deliver.

Skilled Workers

Professionals with specialized skills and training.

Cleaners

Professionals with specialized skills and training.

General Laborers

Professionals with specialized skills and training.

Operational Staff

Professionals with specialized skills and training.

Front-end Staff

Professionals with specialized skills and training.

Our Services

Construction

Growth and change are two realities that no business can afford to ignore. Sustainable strategies that help your business innovate and grow while reducing costs and leveraging talent are just as essential as having the agility and creativity to respond to rapidly changing environments.

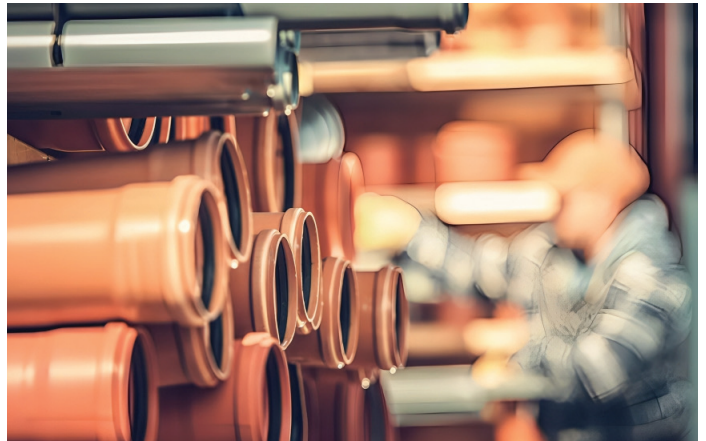

Architecture & Engineering Consulting

Our goal is always to enhance the communities in which we build, and to make a positive difference for the people there. We make that happen through sound site planning and design. Senyar's A+E division manages projects nationwide, providing architecture, interior design, landscape architecture, civil engineering, and virtual design services. Market sectors we specialize in include office, housing, mission critical, industrial, entertainment and education.

Materials Supply

Growth and change are inevitable for any business. Sustainable strategies that drive innovation and growth, while reducing costs and leveraging talent, are crucial. Equally important is the agility and creativity needed to adapt to rapidly evolving environments.

Building Solutions

Senyar serves as a project leader, process manager, and technical advisor for facilities development programs, building assessments, and facility problem-solving. We provide both governmental and private sectors with a comprehensive roadmap to maximize business value, offering services ranging from pre-acquisition due diligence and facility energy auditing to sustainability initiatives and operations improvement programs.

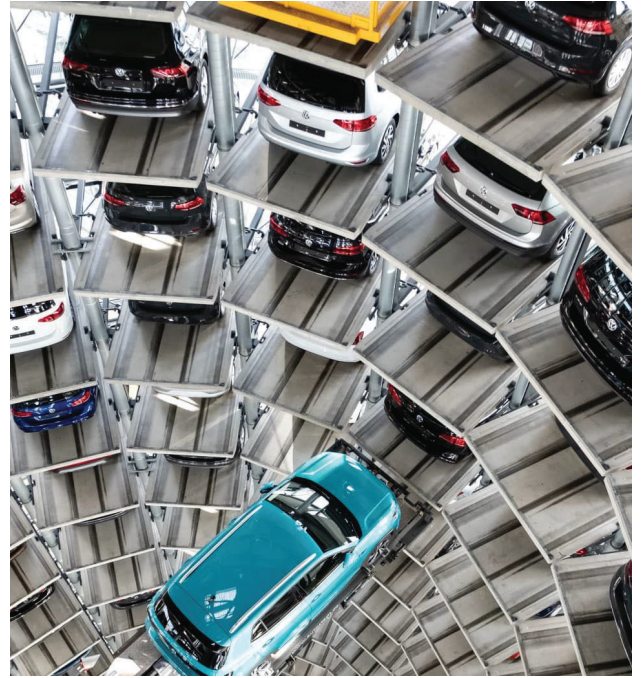

Pipeline Leak Detection System

The Sewage Pipeline Leak Detection System utilizes the BOTDR technique, developed for continuous strain distribution measurement using fiber optic sensors, which serve both sensing and data transmission purposes. For oil and gas pipeline leak detection, Senyar proposes one of the latest and most powerful computational methods: the Negative-Pressure/Acoustic Leak Detection Method.

Automatic Car Parking System

Park, Swipe, Leave... it's that simple. These three steps are all a driver needs to follow when parking a car in an Automotion Parking Systems lot. After that, the automatic parking system takes over. By integrating advanced laser and computer technology with traditional elevator components, Automotion Parking Systems provides a solution that eliminates most of the hassles of conventional parking while doubling, and sometimes tripling, the capacity of similarly sized traditional parking systems.

Automated Waste Collection System

Automated Waste Collection Systems address the issues of waste handling inconvenience, unpleasant odors, harmful pests, unattractive surroundings, and the negative environmental impact caused by waste collection vehicles. All waste from residential and commercial areas is transported through an underground pipe network to a conveniently located Collection Terminal.

Solar Energy Systems

Leveraging its extensive experience in managing electro-mechanical facilities and its commitment to Sustainable Development and Renewable Energy, Senyar has developed expertise in supplying solar energy systems. This includes a cooling, heating, and hot water supply system that integrates double vacuum tubes for solar energy complexes.

Employee Appreciation & Development

At Senyar, we believe that our people are the core strength of our organization. Every achievement, milestone, and success we reach is a direct result of the dedication and hard work of our team. We are committed to maintaining a workplace built on respect, appreciation, and continuous improvement, ensuring that every employee feels valued and empowered.

Senyar's People Promise

Growth & Development

We provide structured training, workshops, leadership development, & professional certifications to strengthen skills and support continuous career advancement.

Recognition & Motivation

Employees are recognized, rewarded, and offered long-term career pathways that inspire performance, loyalty, and commitment.

Support & Opportunities

Clear communication, mentorship, performance evaluations, and cross-functional exposure ensure every team member is equipped to grow and succeed.

Senyar Arabian Trading Co. LTD
شركة سنيار العربية التجارية المحدودة

Social Commitment & Public Interest

Senyar Arabian Trading values business success alongside its positive societal impact, driving initiatives to empower individuals and contribute to sustainable development.

Supporting Communities

Engaging in initiatives that enhance public welfare, we support SMEs, promote ethical practices, and encourage youth empowerment.

Community Engagement

Senyar participates in community development, including humanitarian aid, education, and skill-building, to uplift those in need.

Sustainability & Responsibility

We prioritize sustainability through environmental awareness, worker safety, fair employment, and lasting community partnerships.

Long-Term Vision

Our commitment to society goes beyond business, fostering trust, respect, and shared progress for a meaningful legacy.
